

WINDOW-DRAWER COMBOS BRING SECURITY, ACCESS AND VALUE TOGETHER IN A COMPREHENSIVE DISPENSARY SOLUTION

- **Security, security, security:** All windows use level 1 bullet-resistant, UL-listed glass, with additional bullet resistance levels available if needed.
- **Single solution:** All window-drawer combos are assembled and shipped as a single unit, making installation easier.
- **Quality you can count on:** All combos utilize Bavis's large Electric Transaction Drawer, marrying the best drawer in the business with high-quality, secure windows.
- **Drive-thru or walk-up:** Great for bank and pharmacy drive-thru, or ideal for indoor transactions for dispensaries and other businesses.
- **Elevate customer experience:** Compatible with various audio and video options, including Bavis Enhanced Audio Module, and can be outfitted with credit/debit card mounting kits.
