## Bill of Materials

Part Number	Description	Quantity
00900290	GC Bail Replacement Manual	1
04081021	GC Bail	1
04338011	GC Bail Top Spring	1
04338021	GC Bail Bottom Spring	1
92005002	6-32 Nylon Locking Nut	2

## Installation Procedure

1. Remove the (2) 6-32 nylon locking nuts that hold the springs and bail in place. Remove the springs and bail.
2. Mount the new bail and springs by following the diagram provided. Make sure that the springs are hooked to the top of the bail.
3. When tightening the 6-32 nuts, make sure that the bail is centered in the car opening. You do not want the bail to rub the sides of the opening.
4. Test the bail for proper operation.

SECTION A-A
